

March Fun Day at Belmont Gardens

On Sunday 17th March a Fun day at the gardens was organised with games and activities of Gumboot throwing, Croquet, Petanque, French cricket, Blind Trail.

The weather was kind to our gardens and gave us the first lot of rain for a very long time. It was super light so we I decided to keep the event going.

Six members braved the warm damp conditions and we had a great time. We also had a visitor who enjoyed her first outing with us.

We did the gumboot throwing and all played Croquet, which we almost finished before the rain came down.

Congratulations to Erica for such accurate throwing of the Gumboot, also
Congratulations to our visitor Violet with her skills of backward throws of a gumboot.

Well done Tony for taking the Gold in the Croquet, Silver to Ian and Erica the
Bronze.

Barbara is pleased that she plays bowls as a sport.
